

Kroppefjäll Food Bags

Best served outdoors

Nature is good for you! It's well documented in science that nature has a positive impact on our well-being. This is the very core of Kroppefjäll B&B - where we also have proximity to nature as an obvious part of our business.

Therefore, it was a given for us to also develop a food concept that is based on staying outdoors.

Choose one of Kroppefjäll Food Bags filled with sustainable and locally produced ingredients (as much as possible) and a yummy recipe that is easy to follow! A perfect experience for yourself, or to share with your family and friends. Sit down at one of our barbecue places, cook the food and enjoy it in our beautiful local scenery!
